## FULL DETAILS

This morning, you are picked up from your hotel in Stockholm and transported out of the city to the beautiful county of Sörmland lying south of Stockholm. We head towards the town of Gnesta and the picturesque Vårdinge church where your trip begins.

You cycle from the church towards the small village of Laxne, passing along the shores of the beautiful Lake Klämningen. Enjoy the peace and quiet, and the views across the lake, and if the weather allows take the opportunity to stop and swim in the clear waters.

After lunch, you get back on your bicycles for the next part of your journey back to Mariefred through pine forests dotted with lakes glistening through the trees. Stop for a swim or stroll through the woods to enjoy the surroundings yet further.

At the end of your cycling trip, you arrive at the charming village of Mariefred. Mariefred was founded in 1605 and is famed for its narrow, winding streets and colourful, wooden houses as well as being home to one of the most important and magnificent castles in the region, Gripsholm. After a visit to Mariefred, you will be transferred back to your accommodation in Stockholm.
