### Day 1: Mariefred

**Accommodation: Mariefred, Hostel**

### Day 2: Mariefred → Stockholm

Today you have a free day to enjoy the area around Mariefred. Choose either to cycle through green fields, forests and along the shores of Lake Mälaren to the isolated

Taxinge Manor House. Taxinge is not only a beautiful manor house set in glorious surroundings but it is famous for its cakes. Plenty of time is allowed to marvel at the display. After your tea break, you can take a break from cycling and board the charming steam train from Taxinge, reminiscent of times gone by, and make your way back to the village of Mariefred. Alternatively, you can cycle to Strängnäs, another important historical town, also built on the shores of Lake Mälaren and renowned for its imposing cathedral. Instead, you may choose to put your bikes down and visit the impressive Gripsholm's Castle and learn about Swedish royal history.

This afternoon you will leave Mariefred and board the steamboat which takes you back to Stockholm where you spend the night in the heart of the city, within walking distance of all sights, restaurants and the charming old town.
